EXPERIENCE

Member Advocate

2021 - 2023

Credit Union of Colorado

Denver, CO

Initiated consultative conversations during account openings and loan inquiries. Assumed a key role in providing guidance, support, and resources to new team members.

Key Accomplishments:

- Achieved branch lead for highest number of products added and exceptional survey responses, averaging 25+ per month. Performed an average of 50+ teller transactions with precision and a keen eye for detail.
- ATM Alerts Subject Matter Expert: reviewed checks deposited via ATMs to verify payee-to-account matches, endorsements, and potential forgery. Identified fraudulent check deposits, preventing \$100,000+ in losses.
- Internal Audit Subject Matter Expert: provided the East region with regular updates on audit findings and trends. Identified areas of improvement and served in a leadership role, fostering open communication.
